SEWING & EMBROIDERY MACHINE

## Key Embroidery and Sewing Features

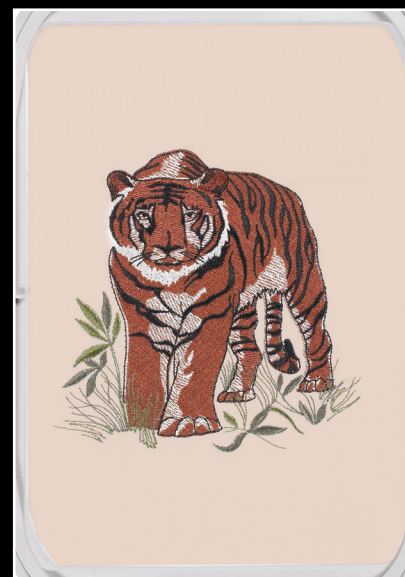

**LCD Color Touch Screen (240 x 320 size) with touch pen**  
This easy-to-read touch screen makes changing your machine's settings simple, and the color LCD screen allows you to edit your designs while distinguishing between thread colors.

**Two-Way USB Connectivity**  
Easily transfer designs to and from your PC. Build your design library with edited designs, save and access designs on your computer, download machine upgrades and more!

**Embroidery Editing On-Screen**  
Edit your designs effortlessly with the Ellageo. Use the color LCD screen to rotate, resize, and combine your designs, or use the character/text array function to give designs the exact look you're going for.

**Embroidery Design Library Built-in (197 total designs)**  
The built-in library gives you an amazing selection of 197 built-in designs that will make all of your projects unique, including 115 designs created exclusively for Baby Lock.

**Embroidery Lettering**  
The Ellageo gives you the ability to arrange your text and combine it with your designs on-screen. Give your projects a personalized touch with 11 font styles to choose from, including one exclusive script.

**358 Built-in Stitches**  
Add a personal touch and versatility to all of your projects! Choose from 358 built-in stitches, including 107 utility stitches (with 14 styles of one-step buttonholes), 58 combinable utility stitches, 142 decorative, 23 wide satin, 14 satin, and 14 cross stitches.

**Quick-Set, Top-Loading Bobbin**  
Bobbins are a breeze with the Quick-Set, top-loading bobbin, which comes with a clear cover so you'll never run out in the middle of stitching.

**Advanced Needle Threader**  
The advanced needle threader allows you to change thread colors quickly without straining your eyes.

**FOR THE LOVE OF SEWING**
