Q: *Need a little more luxury in your quilting?*

A: **GIVE YOURSELF THE LUXURY OF MOTION.**

The Espire lets you pivot your project in any direction for perfect stitch alignment. The incredible Advanced Pivoting feature raises the foot up while leaving the needle down, giving you the perfect control no matter where your imagination takes you.

Discover a quilter's dream with more luxury than you've ever imagined.

Ergonomic, Hands-Free Presser Foot Lift with Extra High Settings
 Raise the presser foot instantly for hands-on sewing for extra control on detailed stitches.

EXCLUSIVELY SELECTED FOR THE
Quilter's Dream Series

The features you've been dreaming of:

343 Built-in Stitches
 Choose from 343 built-in stitches with a maximum stitch width of 7mm to quilt at speeds of up to 1,000 spm. You can even combine and save stitches to your machine or PC.

Advanced Pivoting Feature
 Pivot your fabric without interrupting your work. This makes turning corners, following curves and maneuvering around appliqué shapes hassle free.

Automatic Fabric Sensor System
 The Automatic Fabric Sensor System continuously senses your fabric to find the perfect amount of pressure when quilting with layers.

Advanced Needle Threader & Automatic Thread Cutter
 The Advanced Needle Threader lets you thread with one hand, with five LED lights illuminating the workspace. The Espire will even automatically cut the upper and lower threads for you.

LCD Touch Screen & USB (Type B)
 Quickly navigate through the Espire's stitches and settings with the 240 x 320 touch screen. Saving stitches to your PC is easy with the USB type B port, which also provides easy access to future machine upgrades.

13 Accessory Feet, including 3 Free-Motion Quilting Feet
 Create a quilt for every aspiration with 13 specialty feet, including a Free-motion Quilting foot, Open Toe Quilting foot and Echo Quilting foot.
