FOR THE LOVE OF SEWING

Introducing the Jewel

The new Jewel long arm machine from Baby Lock gives you the joy of gorgeous and intricate quilting with the utmost creativity, precision and confidence. There's nothing like the feeling of holding a completed quilt in your hands, and Baby Lock is the first home sewing machine company to bring that feeling directly to your home. With a generous 18" long arm, you can achieve beautiful and professional-quality quilting with ease. Enjoy a wider workspace, a height of 8.5" and a speed of 1,500 spm to quickly finish quilts of any size from crib to king. And with a built-in stitch regulator and LCD controls on the front and back handles, you can effortlessly control every aspect of your quilt as you're creating a memory that will last a lifetime. Enjoy the satisfaction of adding the final touch with the Jewel.

For the love of sewing.

18" Work Space

As a true long arm machine, the Jewel's larger workspace allows you to stitch freely without worrying about limitations.

LCD Display

Set and easily read Stitch Control Features with the LCD display on both sides of the machine. If desired, set a preferred needle speed for the Manual Stitch Mode.

Built-In Stitch Regulator

The Jewel includes a built-in stitch regulator that controls the speed of your stitch with any selected stitch length.

Back and Front Handles

Effortlessly control the motion of the Jewel from the side of the machine that you prefer with the comfort gripped handles.

Right and Left Handle Controls

Options are right at your fingertips with push button controls. Change the stitching speed, start and stop the Jewel, or place the needle up or down with buttons directly built into the handles.

Large "M" Class Bobbin

Enjoy less bobbin changes with the largest bobbins available in quilting. The Jewel also includes a high-speed rotary hook and an electric bobbin winder with variable speeds.
