

Quilting Frames

Little Grace II Machine Quilting System (LG2-FP)

Give yourself precise quilting with every pattern by using The Little Grace II Machine Quilting System. Simply place your favorite quilting machine on the track system, add your batting, backing, and top piece, and you're ready to quilt! This amazing Little Grace II quilting frame includes the Pattern-Perfect Template System - wooden templates of repeatable patterns that ensure accurate quilting on every project. Little Grace's Fabri-Fast(tm) three-rail system allows you to easily install your fabric for tension-free and evenly distributed quilting. The Little Grace II can be used set up for both crib (64") and queen (98") to accommodate a variety of different size projects.
