

2009 B• Sew Inn Education Challenge

An advanced Learning Program

for FACS and Baby Lock Loaner Program Educators in the State of Arkansas Missouri and Oklahoma

We know how precious your time is. It takes effort to keep up with all the new technology, techniques and industry trends. We believe that extra time spent toward the development of your craft should be CELEBRATED and REWARDED. If you are of like thinking, we invited you to participate in the 2009 B•Sew Inn Education Challenge.

Develop your expertise using B•Sew Inn Products, Educator Workshops, Classes, Clubs, Baby Lock Workbooks, B•Sew Inn Special Events, Baby Lock Sew@Home Classes and you could become the proud owner of a New Baby Lock Ellegante2.

We'll help you track the hours. You do the learning. We'll even credit you for any qualifying workshop/training hours that you have already completed this school year, retro-active all the way back to June 1, 2008.

B•Sew Inn's Educators of the Year 2009

The participating Educators from the states of Arkansas, Missouri and Oklahoma that accumulate the most qualifying hours, in their state, before June 30, 2009 will be proclaimed as that state's B•Sew Inn's **Educator of the Year**. These three lucky educators' hard work will be rewarded with their very own, brand new, Baby Lock Ellegante2s (BLG2). **FREE**. To keep for their personal use.

Second and Third Place Qualifiers

The top runner up from the states of Arkansas, Missouri and Oklahoma will receive Baby Lock Crafter's Choice2s (BLCC2) for themselves. The third place qualifiers from each state will receive Baby Lock Graces (BL40A) as their prizes. Press releases will be provided for their local newspapers.

Dedicated Participants

All educators with a minimum of twenty B•Sew Inn Education Challenge Hours will receive a \$25 B•Sew Inn gift certificate to spend at their leisure and a press release will be provided for the local newspaper.

All Involved

All participants will receive an Education Challenge Certificate and a letter of accomplishment will be sent for their school administration.

2009 B• Sew Inn Education Challenge

2009 Education Challenge General Rules

- 1) Winning Educators from each state will be determined by highest number of documented, qualified hours from June 1, 2008 to June 30, 2009. The 2008-09 Education Challenge is open only to FACS Educators and Baby Lock Loaner Program Educators in the states of Arkansas, Missouri and Oklahoma. Educators compete against educators from their own state. Each educator's state is determined by their school address, not home address. B•Sew Inn's Education Division will have complete discretion to settle disputes arising due to address changes and/or location.
- 2) Challenge Hours must be completed by the educator, not by students. Students may assist in the learning process. Workbook lessons completed during classroom time qualify provided that the educator was wholly involved, not just observing or assisting students.
- 3) Workbook lessons must be completed on the equipment that the workbook was written for. Example: Baby Lock Evolve Workbook Lessons must be stitched out on the Baby Lock Evolve Serger. Workbook lessons require documentation that must be submitted according to specifications. All documentation must be new work, completed during the current term and not entered in a previous Challenge year. This means that Sew @ Home On-Line classes will only qualify for one Challenge Period if they are taken in the month of June 2008. If you turned them in for last year's Challenge don't turn them in for the 2009 Challenge.
- 4) Submission of documented hours is the responsibility of the educator. B•Sew Inn Education Division will assist in the tracking of Baby Lock Equipment Loaner Participation Hours, Education Division Workshop Hours. All other hours must be submitted by the educator on the official tracking sheets. Verification of these additional hours will be made prior to acceptance. Submission in a timely fashion is suggested. To assist in this process you can download pdf file "Education Challenge Tracker Sheet" from our website.
- 5) In the event of a tie, up to 10 Bonus Hours can be awarded by B-Sew Inn Education Division for quality and neatness of work. If a tie still remains after such an award, the winner will be determined by drawing.
- 6) Winning Educators will be announced at the 2009 Summer Conferences for each participating state or by website/email if State Conference schedules conflict.
- 7) Accumulated hours will not be released to the public prior to the Challenge winner announcement.
- 8) Prizes are not transferable and are not redeemable for cash. No prize substitutions will be allowed. Winners assume all responsibility for tax liability.
- 9) B•Sew Inn Education Division reserves the right to revoke an educator's participation in the 2009 Education Challenge if fraud or dishonesty is determined. Removal from the program will be determined solely at the discretion of the company owner.

2009 Education Challenge General Rules (cont.

10)Acceptance of prizes constitutes approval for B•Sew Inn and Tacony Corporation to use all information obtained for media, public relations and educational purposes.

11)We reserve the right to make minor contest modifications as needed through out the contest period.

12) All questions pertaining to any part of the Education Challenge must be emailed to our special Education Challenge email address _____. All questions and their answers will be posted to our special Education Challenge FAQ Section, not answered personally. This will allow everyone to benefit from the question and response. Please expect a minimum of 7 days delay between when the question is emailed to when the response posts to the website. We suggest that you browse the Education Challenge FAQ Section before requesting information because the answer may already be posted. Please, use this email address only for Education Challenge information requests.

2009 B• Sew Inn Education Challenge

Education Challenge Hours

Qualifying Hours will include:

- 1) B-Sew Inn Education Division Educator Workshops**-2 to 8 hours, varied
- 2) Baby Lock Loaner Program Training Classes**-2 to 8 hours per equipment, varied
- 3) B•Sew Inn Retail Store Guide Classes**-2 to 8 hours per equipment, varied

These classes are free on any equipment that is purchased through B•Sew Inn

Education Division and through our B•Sew Inn Store locations. Guide Classes on equipment purchased elsewhere are subject to hourly fees. Availability of all Guide Classes is at the discretion and scheduling of each store location. Please refer to our posted calendars on the B-Sew Inn website. Contact should be made directly with each store to schedule a class. Verifying documentation must be turned in and validated before these hours will be added to your total.

- 4) Monthly B•Sew Inn Embroidery Craze or Sassy Software Club**-1.5 hours —Visit www.bsewinn.com to view schedule.

5) Baby Lock Sew@Home classes-30 Education Challenge Hours per on-line class. Visit www.bsewinn.com OR www.babylock.com for class description. These classes typically take 1.5 to 2 hours to complete. For the 2008-09 Challenge, they qualify for 30 Education Challenge Hours because they are classified as POWER HOURS. Access Codes purchased from the B-Sew Inn Education Division, Education Division Special Event door prizes and codes that come pre-packaged with outgoing Loaner or B-Sew Inn Education Division Purchased Software qualify.

2009 B• Sew Inn Education Challenge

Education Challenge Hours (Qualifying Hours cont.)

6) B•Sew Inn Special Events-minimum 2 hours, varied

Visit www.bsewinn.com to view schedule.

Email schools@bsewinn.com to learn allocation of hours for B•Sew Inn Special Events. Many times the hours can not be calculated until after the event because it is necessary to see how much emphasis was placed on instruction vs entertainment.

7) Classroom In-Service Visits-scheduling and allotment of hours is at the sole discretion of the B-Sew Inn Education Division. Not all classroom visits will qualify for Challenge Hours.

8) Baby Lock and Designer's Gallery Workbook Lessons

Workbooks and software must be purchased from either B-Sew Inn Education Division or B•Sew Inn Store Locations. Baby Lock equipment that was purchased thru any authorized Baby Lock Dealer can be used in conjunction with the workbooks and still qualify for Challenge Hours. For all future equipment purchases, we encourage you to take advantage of the low school prices that we offer thru our Education Division.

Hours vary per lesson. More credit is given for the lessons that we believe are most important, not necessarily the most labor intensive. A complete listing of all lesson plans that qualify for Challenge Hours and their Challenge Hour allocation can be downloaded from www.bsewinn.com, click on the FACS tab, click on 2008-09 Education Challenge.

In order for Completed Workbook Lessons to qualify for Challenge Hours we must receive the required documentation listed for each lesson. All documentation must be new work and not entered in a previous Challenge year. These must be mailed or shipped to: B•Sew Inn, Education Division-Josie, 2530 Chandler Road, Muskogee OK 74403. These items must be post-marked no later than June 30, 2009. Hand deliveries and drop-offs at B•Sew Inn Store or business locations will not be permitted. We can not be responsible for documentation that does not arrive due to postal or shipping error. Please **DO NOT** call or email to inquire if your package arrived. We recommend that you ship by UPS or registered mail so that tracking information will be available. Documentation samples become the property of B•Sew Inn and will not be returned.

Sew@Home On-line Classes

(Total Hours Available: 30 Challenge Hours per class)

Requires Sew@Home Lesson Access Codes. Access Codes purchased from the B-Sew Inn Education Division, Education Division Special Event door prizes and codes that come pre-packaged with outgoing Loaner or B-Sew Inn Education Division Purchased Software qualify. You do not have to purchase the corresponding software in order to take these classes.

To view more information on these classes go to www.bsewinn.com and click on the Sew@Home icon (red house) or visit www.babylock.com

To count these as Education Challenge Hours you must:

- 1) Acquire the access codes from a qualifying source. (see above)
- 2) Register for the class.
- 3) Take the class.
- 4) Print the class attendance sheet that is available at the end of the class.
- 5) Fill out an Education Tracker Sheet listing the class name, date and time that you completed the class.
- 6) Send in a copy of the Attendance Sheet and the tracker sheet.

These will only count for 30 hours on the first time that you take the class. If you use your access codes to repeat a class you may turn it in for half credit.

We are very interested in feedback on these classes. It would be very helpful if you added some comments to the tracker sheets that you send in.

Baby Lock Sewing Accessories Workbook Challenge Hours

(Total Hours Available: 596)

This is an Accessories Workbook. Techniques and Stitches must be completed with the listed Baby Lock Accessory and stitched on a Baby Lock Sewing Machine. Some of these accessories come "standard" with Baby Lock machines. Some may need to be purchased. Most of this workbook can be used with any Baby Lock Sewing Machine, but there are going to be exceptions, especially if stitching on a lower end mechanical and/or an older machine.

(Example: The Edge Joining Foot will not fit on the BL8800.) If your Baby Lock machine is unable or unequipped to complete a specific task, you will need to switch to a different Baby Lock model OR simply not do that particular lesson.

*The first 37 pages of this workbook give basic information about each foot and require a small sample of a technique. A quick snippet. — As you move farther in the workbook you will build on that information and learn multiple applications. I have allotted hours for both work levels. **Since the samples may appear similar, BE CERTAIN to label each sample with the page number that it matches.***
